ACADEMIC SUCCESS AND HOMEWORK HELP

It is part of the mission of the Boys & Girls Club of Mount Vernon to ensure that our members graduate with academic success. We believe that adult supervision of a student's education is needed so that they can be organized, be engaged, complete homework on time, and prepare for tests and exams. Students who are not held accountable by adults can easily fall through the cracks. If we wait until the end of the school year or only take an interest when they are in their senior year, it will be too late to get them on track.

If you would like the Teen Coordinator to be involved in your child's education, please complete the permission form below.

I want the Teen Coordinator of the Boys & Girls Club of Mount Vernon to be engaged in my child's academic career to the extent indicated below. (Circle Yes or No on each line.)
